A white laborer brought the intellilayal and helf distoyal, the toyal half might | gence to a bar-room on South street, where a under it, he sent within the rebal lines, and the number of his companions were dricking. A disjoyal remain ununcleated in their homes. plan of attack was immediately arranged, and If the inhabitants of the island were all the negrees were driven away at the first on-

mpress seven millions of people? And how | who fired the pistel, into costedy, and brought | NEW many stout arms do we propose to keep in the bim to the station house, followed by an immense mob of the rioters, who several times The policy indicated is a blazing admission to attempted to soize the negro and inflict sume world that we have abandoned the predict many vengeance upon him. The officer was suppressing the rebellion, and are now only struck more than once by bricks and stones, but whwardly engaged in the business of removing was not badly injured. The mob even threatnose who choose to bear allegiance to the Con- ened to attack the station house, and had it not

As soon as the disturbance became known. the mob, for the purpose of showing their ill will id-the order is wholly violous and crimina, toward the negroes generally, began chasing individual for the crims or misfortune of another.

It is nesless to attempt to extend what seems o me the coormities of this order—this blunder—this crime. I fear it will do much to chake the opinion that Union armies come to fulfill the single-store, and succeeded in putting an interest of the single-store. It is nested to extend the coordinate of this order—this blunder—this crime. I fear it will do much to chake the opinion that Union armies come to fulfill the single-store, and succeeded in putting an interest of the single-store. The same than the single-store are them.

For come time there were a half duran different parts of the second to the store and the same than the same of R. W. T. Daniel and J. R. Townsend and relative to the store and the same than the same tha the opinion that Union armies come to fulfill the ringlesdors, and succeeded in putting an the law and not to overthrow it. I close by in- and to the viologica which the mob seemed bent fally off r the upon perpotrating.

Oney and the other negroes were engaged in working for the Swiftsure line. Oncy had been employed by this company for nearly a year. The other men have been employed at the same place for a long time past. Oney is a married man, and lives at No. 4 Stanton street, Brooklyn. He admits that he fired the shots, and says that he did it in self-defense. His nose was broken by the stone which struck him.

A detachment of policemen were procured to fled and such other-thought on African slavery—when and how peace shall come—chilingle to be taken.

Haydecker, 69 Pine street; but the police, under Capt. Warlow, qualled the disturbance very promptly.

In giving it a wide circulation, 855 for 100 capter. For all a side at the back stores. Address orders to promptly. John K. De Fratsa, James Spelman and Ira Brade, whites, were arrested during the disturbanes, charged with participating in the riot. They were locked up by Justice Dowling, for

examination. The negro, Orey, was discharged
